

Part 10B. Early Childhood Initiatives.

§ 143B-168.10. Early childhood initiatives; findings.

The General Assembly finds, upon consultation with the Governor, that every child can benefit from, and should have access to, high-quality early childhood education and development services. The economic future and well-being of the State depend upon it. To ensure that all children have access to high-quality early childhood education and development services, the General Assembly further finds that:

- (1) Parents have the primary duty to raise, educate, and transmit values to young preschool children;
- (2) The State can assist parents in their role as the primary caregivers and educators of young preschool children; and
- (3) There is a need to explore innovative approaches and strategies for aiding parents and families in the education and development of young preschool children. (1993, c. 321, s. 254(a); 1998-212, s. 12.37B(a).)
